

We offer a “Boat Buy Back” Program

For those adventurous hikers looking to go to Front Royal or beyond, we will sell you very **USED** boats and gear. We recommend a Watermelon Park Boat Return Point!

- We guarantee boats for the first 50 miles (Port Republic launch to the 211 bridge landing in Luray). (This guarantee is for “normal” wear and tear!). **It’s your boat, take care of it!**
- **Text 703 447-8258 Diane for Watermelon Park Returns!**
- We will shuttle your boats and gear around the Shenandoah Dam Only during business hours. Normal hours are 8am to 5pm. (We can stay later, if needed.)
- We also provide free camping and trash pickup in Shenandoah. Firewood is extra!
- **We require 24 hour notice to shuttle your boat around the Luray dam. You Must Stop! At the 211 bridge for shuttles, there is no public portage.**
- **Call us at: 1-888 309-7222 or text 540 478-5032. This is a charged service!**
- There are multiple boating outfitters along your adventure. We suggest you educate yourselves at each one!
- We require 24 hour notice for buying the boat back. It is **your responsibility** to be, where you say you will be, at buyback time.
- We will charge a credit card \$100.00 to come after boats and gear. We will refund the credit card after the buyback is successful.(Charges won’t apply at WM park)
- **We admire the hiker crowd.** But, it is a bit like “herding cats.” Please make sure you are financially able for this experience!! **Above all, “be safe!”**
