

## ***South Fork Shenandoah River***

### **Port Republic to Island Ford (A-B) 10 Miles**

- Island Ford boat launch is on the right side of the bridge.

### **Island Ford to Elkton (B-C) 7 Miles**

- Class two rapid directly below Island Ford bridge, use caution STAY RIGHT.
- 2<sup>nd</sup> set of rapids after the bridge STAY LEFT.
- There are a set of double bridges that lie before the Elkton boat ramp (C) along with a single bridge directly on top of the Elkton ramp on the right side of the bridge.

### **Elkton to Shenandoah (C-D) 7 Miles**

- 10 total rapids, 4<sup>th</sup> rapid down from the Elkton bridge stay to the right-hand side of the island.
- Once in sight of the Shenandoah Bridge (Steel girder style bridge), begin to make your way to the right-hand side of the river and call or text SRA (540-478-5032) or (1-888-309-7222) for a shuttle across the dam to the SRA home base (Camping available) or stay to the right and use the portage trail around the dam to the lower side. SRA is located just below the dam on the right side of the river.

### **Shenandoah to Grove Hill (D-E) 9 miles**

- 23-24 rapids
- Staying left on almost every rapid/obstacle is the safest route for this stretch of water.
